Dear Mr Medina,

The UK Fund for Charities is pleased to advise you that the Trustees have agreed to support your charity. You may tell potential donors that your organisation is a member of the UK Fund's International Programme and is being supported by the UK Fund for Charities.

I enclose a copy of the Donation Form, which should be used by donors and which includes an option for them to Gift Aid their donations. This will allow the UK Fund to reclaim the tax paid on the donation amount. The form may be photocopied and you may wish to put in your charity's details before sending it to donors.

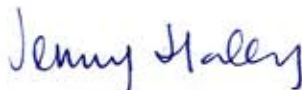

We suggest that you ask donors to send their cheques, which should be payable to the UK Fund For Charities, to The UK Fund c/o Chapel & York in the UK, along with the donation form, a copy of which can be sent to you so that you know when a donation has been made.

Grants are made at the first Trustee meeting after tax reclaimed from the Inland Revenue is received and added to the donation (if applicable). Meetings of the Trustees are held in January, April, July and October however the Trustees cannot guarantee that they will meet or make grants on any particular date or on request and administrative arrangements may be amended at any time. Grants are made by UK sterling cheques or by bank transfers.

If you have any questions, please contact our Administrators, Chapel & York at the address below.

We wish you the best in all your charitable endeavours. We hope that as a result of your fundraising from the UK we will be able to support your charity very soon.

Yours sincerely

Jenny Haley
Administrator
